

Issue ID	Priority	Module Name	Link	Issue Description	Status
1	Minor	Golfer Registration		Calendar not opening when clicking on Date Of birth input.	
2	Minor	Golfer Registration		When entering Password it gives, Password must be equal to "Confirm Password" message. But when we enter same password in Confirm Password field then also the message does not gets hide.	
3	Minor	Golfer Registration		Checking of equal password should be on "Onchange" event because the moment user enters password it starts giving error which is not right.	
4	Minor	Golfer Registration		If we enter Confirm Password first and then enter Password then the message disappears.	
5	Medium	Golfer Registration		'Terms and Conditions' is mandatory. I uncheck that and after that also i was able to register.	
6	Medium	Golfer Registration		After registration user goes on Login page, instead we should show a success modal and not take user to login page. See page 8 point 4 in document (Once they have clicked 'Register' they are sent a confirmation email and shown a 'Success Modal'.)	
7	Major	Golfer Registration		No confirmation email is sent after registration: The registration confirmation email contains their account details, information about when they will receive their card and also a link to the login page. See page 8 point 5 in document	
8	Major	Golfer Registration		Duplicate entries of golfer registration is allowed. Check development notes page 8 second point (Validation needs to be done to check that the user is not already registered which is done by checking First Name, Last Name and Phone Number. Error message to be shown if already exists.)	
9	Medium	Login		Remember Me functionality is not working.	
10	Medium	Login		Forgot Password is npt working
